COMING EVENTS

Announcement from Finance Committee:

As we roll into the final third of the 2025 budget year, Finance Committee provides this update on the financial position of the church based on activity to the end of August.

Members will recall a budget with a deficit of

just less than \$38,000 was approved in February. In June we indicated that the vacancy in the Office Administrator position had reduced the projected deficit. Now, in September, our forecast deficit is about \$6,000. The biggest factor in our improved financial position is the rental income from the summer & fall daily occupancy of Lewis Hall by a local not-for-profit group. This has been a one-time infusion of funds for which we are very grateful. A \$2,000 grant from the Love2Thrift organization is also helping offset the costs of our outreach lunch bag program.

While this is fantastic news, we are cautious as the revenue side of the equation includes \$30,000 of donations at the end of the year and Christmas, based on historical donation levels. This amount is an educated guess, but could well vary.

The forecast deficit includes a projected shortfall in our givings to the Mission & Service fund. You will recall we confirmed our commitment to donate \$30,000 when the budget was approved. At this point in the year, the forecast M&S givings will be short by about \$2,000, which would be covered by operating funds.

We hope all of you will consider how your donation level can contribute to the life and work of our active congregation.

Whitehorse United Church is planning a walk/run/bike on **Sunday, October 5th** to raise funds and bring awareness to Alvin Dixon

Memorial Bursary. The event will be at meeting at the Klondike boat and doing the

Millenium trail starting at 3 PM. Entry fees of \$20 for adults and \$5 for children under 12 will be collected and forwarded to the Alvin Dixon Fund. We hope you can join us and please spread the word.

*"When you sit down to eat, pray. When you eat bread, do so thanking Him for being so generous to you. If you drink wine, be mindful of Him who has given it to you for your pleasure and as a relief in sickness. When you dress, thank Him for His kindness in providing you with clothes. When you look at the sky and the beauty of the stars, throw yourself at God's feet and adore Him who in His wisdom has arranged things in this way. Similarly, when the sun goes down and when it rises, when you are asleep or awake, give thanks to God, who created and arranged all things for your benefit, to have you know, love and praise their Creator." ~ **St. Basil the***

News from Yukon Climate Action

Most Yukoners love the land and are concerned about what climate heating is doing to the earth. Many of us feel overwhelmed by the climate crisis and other threats in the news.

Here's an invitation to a simple climate action: Share your thoughts with all three Yukon political parties, urging them to strengthen their climate plans and work together after this election. To make it easy: [click this link](#) and choose what you want to say.

The groups below are inviting hundreds of Yukoners to send these messages. Your participation helps make a difference.

Once you've sent your message, would you please forward this email to your family and friends and the groups in your circles? We would like people to send their comments now (and please send before October 15). On behalf of the land, thank you.
